THE DIDACTIC OBJECT

AT THE MUSEUM OF THE AMERICAN REVOLUTION

SUNDAY, JUNE 11

10 AM

MUSEUM OF THE AMERICAN REVOLUTION
101 S. 3RD STREET, PHILADELPHIA, PA 19106

Join us (or Die!) for a tour of the new Museum of the American Revolution in Philadelphia. Objects displayed in museum settings are didactic tools that immerse museum visitors in a specific period and culture. What do they reveal about the revolutionary era and the people caught between empire and liberty? American Civilization PhD Candidate and Museum Educator Tyler Putman will share his interpretative strategies and highlight the ways that MOAR uses material culture to communicate with museum visitors.

PLEASE RSVP BY **WEDNESDAY, JUNE 7TH** TO MICHELLE EVERIDGE ANDERSON,
